The major cause of the breakdown of civilization is war.

~~Title: Breakdown of civilizations:~~ Enemy is war ✓

of?

According to the author, ~~the~~ war is ~~the~~ enemy.

~~because~~ it is the reason for the breakdown of

civilizations. When one state become bound in

drift of war, ~~then~~ the chances are rare that

state to come out of the war. Therefore, it is

like a cancer which ~~only~~ destroys the state. ✓

Moreover, the current wars of the nuclear weapons

are more lethal than the past one. So, ~~in order~~

to get rid of war states ~~should~~ follow pre-

emptive peace making strategies to reduce

further destructions.
