

Intolerance causes and way-forward.

Outline :-

**Thesis Statement:** Intolerance in a society is caused by lack of moderate education, political polarization, and state's weak writ on extremism. However, it can be improved by strong policies in education, religious, and political (sectors) sectors.

(a) Introduction

(b) Causes of Intolerance

- (i) The lack of moderate education system has resulted in intolerant behavior.
- (ii) Societal norms and customs have resulted in intolerance.
- (iii) Increased sectarianism is also a cause of intolerance.
- (iv) The political polarization has

DAY: \_\_\_\_\_

also given birth to intolerance.

(v) State's weak writ on intolerance has further increased it.

(c) Way-forward for intolerance

(i) Promotion of moderate education can reduce the intolerance

~~(ii) Arrangement of social gatherings and inter societal seminars can increase the open-mindedness.~~

~~(iii) Encouragement of religious harmony would certainly bring down the intolerance in society.~~

~~(iv) Strong constitutional provisions over intolerant behavior would bring good results.~~

(d) Conclusion
