# Introduction

Thesis statement:

One can not bring Democracy by force. <sup>Which is brought by</sup> everything which is brought by force is temporary. Democracy is basic need for well stable and powerful country. There are hundreds of factor to bring lasting democracy. The same way many causes of unvest of democracy. However these unvest causes have <sup>Write in formal language plz</sup> consequences on ideal democratic nation. While these unvest factors bring unvest in Democracy.

The stable nation are those <sup>which</sup> national invest is more then individual intves. The sign of best democracy is political stability. But if there is no political ideal compromis relation, which leads to political instability. The leading <sup>Politicians</sup> politicians start taking revenge while opposition leaders resisting in stability projects. The political power is main issue which bring gap between politician. So the result is political instability.

Youth are pillar of the nations.  
While country who has high percentage  
of youth lead country strong in all  
aspects. The a good democracy depend  
on youth and economy. The reason  
of jobless youth is unvest in  
democracy. Nations are dependent  
on youth education, youth job bring  
best economy. But instead of  
jobless youth brings more hurdle  
for poor economy. To the  
cause of unvest in Democracy.
