^G gods and their communication methods

Human beings realised tiny nature of their existence as compared to universe. That made people believe in superior power and the creator of their own destinies. On that moment, ^{humans} ~~human~~ ^{felt} the need of connection with gods.

Moreover, ^{they} tried to find the ways which please gods.

In ^{their} regards, soothsayers and Oracles played mediators role and decoded the sign message from the gods. In addition, Oracles were designated

^{own} proper places along with responsibility towards their respective gods. Various methods were employed to understand gods' command wrapped in omens. Sometimes, gods ^{sent} prophets as

~~their descendant~~ and talked directly to them. Prophets then used to deliver gods' message to the people.
