DUA

To begin the discossion about gender equality,	
 it is pertinent to shed some light one	
the terms like gender and gender equality.	
Glesder According - h WHO, gender refers to	
the characteristics q nomen, men, girls and	
boys that are socially constructed. This	
includes norms, behaviours and roles associated	
with being a woman, man, girl or	
As a social construct, gender varies from	
As a social construct, gender varies from	
society—to society and can change	
over time. Gender and sex are inter-	
related but are different from each.	
other. Dex refers to le different.	To the second
other. Dex refers to be different story and physiological characteristics of	
females, meles and intersex persons, such as	
chromosomes, hormones and reporductive	1
Organs. Gender inequality and direnmination	
et women have been prevelant in every	
society, at a certain level. Meanwhile,	
the world is increasingly realising the	
importance 9 gender equality. Gender	
equality, means that the in according	
to UNIFPA, is first and foremost, a	
"human right". It implies that women,	
men, boys and girls of all dames and	
races participale as equals and have	1
equal value they enjoy equal access to	
THE PARTY OF THE P	
resources, freedoms and opportunities to	
excercise control in above light, the concepts of	70 344
goder, sex and their equality are important	

		to The second
	To understand.  No need to write this	
	The previous paragraph disous explained some	
	terms related to gender, mona meanwhile, the	
	following paragraphs will discuss the reasons	
	Like I that justify that gender equality is	
	Still 1 or myth & and not a reality.	
•	In the economic, sould and positical arena	
	women have been sufjugated to ment that the tentropes.  This injustice is show cased in form of  Several datas exterted from time to toine.	
	This impossible is showcased in form of	
	Several datas exterted from time to time.	
	One such report by the International labour.	
	organisation suggests that women earn less 20%	
	than seek men gustarty. The economic inequality	
	than seeks men gustarty. The economic inequality manifests in several forms such as pay gap	
	between hot gender, under-representation of inomer	
	in the northforce. Meanwhile, women are lagging behind of in the social and printial activities.	
	in the northforce. Meanwhile, women are lagging	
	behind of in the social and pritical activities.	
	They get their representation in the notional	
	assemblies mostly though the quota systems	
	that has their seats reserved for them.  Homen as don't patripate or are deferred	
	Momen as dones patripale or are desterned	
	by their male counterparts in the general	
	to tight on the general seats. The 1 data	
and the second	to tight on the general seats. The 1 data suggests that women positical representation of	
	nomen in pational parliaments is 28.9% which	
	is wary jurther from the parity. Hence, the fig	res
	promer face inequality in the conquic, sorial.	
	and positive life throughout the would.	
The state of the s

Hence, gender equality can be achieved through interconnected efforts of all Hakeholden through finamial empowerment, healthcare aremisitify, reporms, gender mainstreaming and ediscertion. United Nations Secretary General Mr. Antonio Gueterres has stated let achieving gender equality and empowering women and girls is the unfinished burniner of our time, and the greatest in our world? Women have been asking fou their nights from a long time starting the suffarage movements q. 19th century This movement then enstred into them asking for their social and reproductive nights along with their positical and legal reprins. in their favoor. The hourd has instrement a great change ever since. The four United Nations conquences, l'intérnational agreements Whe ICPD (1994), CEDAW (1996), Beigning conférence on Momen (1995) 10 since them women are encreasingly becoming aware 9 weir nights 69 freedom 9 expression, freedom to work, freedom to properly Keller everyday and somators the proverful people like Albame senators still choose to repulate nomen's browners through mere votes.
