Urdu into English Translation

An African thinker once said that, when English men came into Africa they had modernity and we had field. They said that, we came here to modernize you. We closed our eyes, but when we open; we had modernity and they had our field. Similarly, when social network science came, they had Facebook and Whatsapp. They said, it is free. We closed our eyes and when we open; we had Facebook and Whatsapp. But they had our freedom of expression and our personal data. So, whenever there is a thing in free. You have to pay for it, in the form of your freedom.
