

1- ~~Manto's Critique on Social Ills of Society~~

2- ~~Manto's Exploration of the Harsh Realities of Society-~~

he did not suffer!
read the passage carefully

Manto suffered ^{from} through the double standards of society. He remained

~~persistent in his objective of unwinding~~ this sentence is too long

~~the harsh realities of society in spite of distraction and critique of conservative and self-righteous people.~~

Freud explained his writings as a disclosure to the miseries

of unprivileged classes of society. ^{According to him,} hypocrisy and deception were one of the major

socio-moral issues of society. Like other authors, people related to Manto with his

writing which also explored his own ugly emotions.

be precis and to the point

word count is missing too

title is too long sentence structure and basic grammar needs improvement
