

A new war begins

Date:

We are living in an uncertain times, where never has been such catastrophic events happened as of now. The response, if one day is emotionally then the next day it suddenly surprises, further sweeping away everything. A recent deadly development in our region, ~~hardly~~ make sense, with Israel hitting Iran's nuclear sites and targeting its top military officials and nuclear scientists.

Israel's operation 'Rising Lion' started on Friday morning and warned to continue longer. Iran declared it 'declaration of war', vowed to take revenge, writing 'the end of the story'. As a retaliation, Iran launched hundreds of ballistic missiles on Israel. The Israel Defense Forces (IDF) confirms it and strongly calling it crossing the line and retaliates back on Iran. One asks this could lead to total war. Such escalations are

Date:

the result of long deep-rooted animosities in the Middle East. This forecasts further uncertainty in the coming days.
