### Title: **Manto's View on Society**

Manto faced criticism and legal battles for his extraordinary work in literature. Manto shows the imbalance of human behavior in form of appearance and reality. Manto saw man as a mixture of both as an angel and as a devil. Manto, a realist artist, knows the follies of human. Manto shows vulgarity of society in his writings without ever sounding vulgar. As of many great literary artists, Manto's work also depicts flaws of society and everyone can easily mirrored these. Manto did a fantastic job because of his great passion.
