

and knowing." (Al-Quran) The late marriages are the reality of today. People thought that without independency and the higher financial stability they can't marry. But Allah says in Quran that the Allah enrich them from his bounty.

The late marriage has many causes like economic and financial problems, social and cultural shifts, personal preference, educational attainment and economic problem.

These causes have drastic consequences like, health issues, relationship challenges, social and psychological problems, financial problems and economic problems. Unless the causes and consequences are addressed properly the delayed marriages gone happen and causes the regret in society.

- Page No. _____ Date _____
