Title: "A civilized life."
~~Theme~~^{Establishment} / Purpose of Law.

In a civilized life, Law must protect the rights of individual. ~~The role of law~~ In past, might was right. The role of law prevents arbitrary power. In Judiciary, Judge is free from all external pressures. A biased Judiciary is dangerous to liberty. All possible facilities should be paid to Judges. Possible act should be done by judges. To establish this, impartial method of selecting judges must be adopted and suitable persons appointed. A country remain civilized, has proper legal system.
