Recommendation :-

v

Conclusion :-

My Job in an Apple Plant

Point: Working in an apple plant is the worst job I ever had.

Reason 1:

The work was physically hard. For ten hours a night.

a. Loaded cartons onto skids for ten hours a night.

b. Each carton contained twenty-five pounds bottle apple juice.

Reason 2: The second bad feature of the job was the pay.

a. I was getting the minimum wage that time \$3.65 an hour.

b. Had to work sixty hours for decent take-home pay.

Reason 3: Hated the working conditions
