which precis pms or css??

English: Precis

~(2018)~

Title:

~~Establishment~~

Establishment

"A civilized life."

Purpose of Law.

In a civilized life, law must protect the rights of individual. The role of law is

right. In past, might was right. The role of law prevents arbitrary power.

In judiciary, Judge is free from all external pressures. A biased judiciary is dangerous to liberty.

All possible facilities should be provided to judges.

Possible act should be done by judges. To establish this, impartial method of selecting judges must be adopted and suitable persons appointed.

A country remains civilized, has proper legal system.

word count??

there is no coherence in the precis poor presentation and casual style of writing

0/20 seems like you haven't read the basic rules of precis writing

not satisfactory at all
