

Indent the paragraph

Use of first person is not allowed in precis

Precis Writing

The citizens of every country ^{consider} themselves and their country better as ^{compared} comparatively to others, but it is wrong because just like peoples, countries also have certain good and bad qualities ~~as well~~ and we must adopt the good qualities wherever we may find it and remove the bad qualities. India, unfortunately, is going through a hard time and its condition can be made better by expelling the bad qualities & adopting the good ones wherever we may find them.

Title: Making a better world.

Original passage = 226 words

Precis = 80 words

The sentence is too long. Break it down into simple sentences.
