Essay

With the famous phrase "Man is born free, but he is everywhere in chains". Roussaue asserts that modern states repress the physical and mental freedom that is our birthright and do nothing for the civil freedom for the sake which we enter civil society. In modern state/era the freedom of man is associated with media.

The media considered as the fourth pilar of democracy. Israel and palestine conflict dates back more than a century. Currently this war sparked in october 2023. The media plays a vital role in israel
