

Poverty

WHAT ARE YOU TRYING TO SAY????

Poverty—a cliché word, a topic every ~~news~~ ^{news} platform and talk show loves to discuss, still chooses ~~not~~ ^{to} to do a thing about it.

Poverty is not only Pakistan's issue but a global issue which has ~~been~~ ^{be} existed in the world since ages. Article and stats will keep ~~keep~~ ^{be} documented, while people continue ~~to~~ [✓] to die. Even right now, in this moment many people are on death bed due to lack of adequate healthcare facilities, a ~~balanced~~ [✓] diet and hygiene related products. Malnourishment is a major contributor of high neonatal ~~death~~ [✓] ratio across developing countries. Poverty is shifting ~~YOUTH's~~ ^{YOUTH's} mindset. Youth considers

time a ~~way~~ [✓] wayage of time and ~~there~~ ^{their} only goal is ~~getting~~ ^{to} rich. Diving deeper, we can conclude that major factors contributing to poverty in Pakistan are population growth, inflation, ~~lack~~ [✓] of education and political instability.
