

Comprehension:- (CSS-2003)

1- Most of us fail in our efforts of self-improvement because we set our goal too high. Most of our goals are highly ambitious and out of our capacity and we have simply no time to accomplish them. We often set these high goals because we want to escape frustration which comes from failure. This is the reason that most of us fail in our efforts of self-improvement.

2- It is a basic mistake to announce our resolution to everybody because it is a foolish act. ~~It is our fundamental and basic mistake~~ and as we set our goal too high, we eventually are unable to carry them out for too long. And as more people know about it, they will make fun off it and we end up in failure and frustration. So it is our basic mistake to announce our resolution to everyone.

3- The writer did not carry out his resolution on New Year's Day because he was good in making excuses. Actually, the writer was enjoying an overnight party on New Year's Eve. For new year, he selected ^{two} moderate ambitions for himself like exercising and reading. After enjoying overnight party, it provided him with good excuse of not performing his resolutions on first day of New year. This is the reason that writer fails to perform his resolution on New Year's Day.
