

Palestine through Nazir Hassam Lens

Nazir Hassam, a Palestinian, produced a film about Palestine, "independence". He showed Palestinian's view about Israel's baseless narrative of their "independence". The news were circulating of Israel is going to capture more Palestinian land. Meanwhile, he sent an email to ^{the writer} ~~the writer~~ about his latest film "My Grandfather's Path". According to writer, the only thing that stopped him being like Zionists was Palestinian and world cinema. The latest documentary was about Palestinian view of Israel's violation of their rights and world's involvement. It was broadcasted on Al-Jazeera and is binge ^{watch} worthy.
