Why I want to be a CSP officer?

I want to be a CSP officer because it is one of the best jobs in Pakistan. As it provides job security to an individual as well as it is a great platform to serve our beloved Pakistan in front lines. My motive behind this inspiration is that I want to be among those who serve Pakistan in frontlines and do good things for common people. No doubt I want job security as well but my main motive behind ~~this~~ is that I want to serve my nation.
