

this is a  
sentence  
not a title

## ~~PRECIS~~

~~and~~

### ~~Is Money Really Matters for Professionalists?~~

An Ethical man's aim is not to make money. Moreover, for healthy people, food is not the goal of his life. Similarly, for intelligent person the sense of victory is essential. A soldier loves to win the battle rather than his reward. The doctors like their fees but lives of people are important to get their fees.

So, the courageous and wise people prioritise their work over their fee.

be precis and to the point  
word count is missing too  
need improvement

5/20

title is not written in the form of question
