

## CSS - 2020 - Translation

Every nation of the world has an education system in harmony with the mood of its nationals, which shapes and <sup>completes</sup> national objectives and makes people active in <sup>achieving</sup> them. Therefore, education system is a comprehensive training methodology which helps in the development of mental capabilities and character building of individuals. It trains people in such a manner <sup>that they</sup> ~~which makes them able to change the destiny of the nation.~~

## Punctuation — 2020 CSS

Letters between relatives and friends are called personal letters. The most important in such letters is the content. Do not begin with a hackneyed phrase, like "I was delighted to get your letter" / "received your letter", or "I have often thought of writing to you". Use a vigorous, clear, chatty style.
