Generic introduction for Q&A from "Seerah"

Prophet (PBUH) is the last prophet from Allah towards mankind. He (SAW) was bestowed with the divine knowledge of both the realms along with the thorough understanding of Quran. Quran, the final testament from Allah was revealed to Prophet (PBUH) over the span of 23 years and His (SAW) life was in correlation with the code of life mentioned in Quran.

According to a hadith, when a companion of Holy prophet (SAW) asked his (SAW) wife, Ayesha (R.A) about the values of Holy prophet (SAW), she (R.A) replied with the following words,

"His (SAW) values were Quran" (Al-Hadith)

This hadith clearly emphasizes that in order to understand Quran and Islam, one must thoroughly understand the Seerah and prophethood of Holy prophet (SAW). This aspect is also endorsed by the fact that the primarily and compulsory acts of Islam such as Bala'at and Pilgrimage are only made obligatory in the Quran. The procedure to carry out these obligations can

only be extracted from the seerah of Holy prophet (PBUH). Allah Almighty also obligates muslims to abide by the standard operating procedures of Islam laid by the Prophet (PBUH) by the following words

"O who you believe, obey Allah and His messenger" (Al-Quran)

"وَمَنِ اتَّقَى اللَّهَ فَلَا يَعْلَمُ مَا فِي أَنفُسِهِ وَمَنِ اتَّقَى رَبَّهُ فَلَا يَعْلَمُ مَا فِي أَرْضِ الْأَرْضِ"
