OR He fought courageously.

The England of our days is so strong and the Spain of our days is so feeble, that it is not possible, without some reflection and care, to comprehend the full extent of the peril which England had from the power and ambition of Spain in the 16th century.

Title: Spain - threat to England

Present England is stronger than Spain now. Without careful reflection, it is impossible to know the 16th century Spain's threat to England.
