

* The Interest of India is the Interest of Israel.
The P.M of Israel, David Ben Gurion, quoted "
The world Zionist movement should not be neglectful
of the dangers of Pakistan to it, and Pakistan
should be its first target, for their ideological state
is a threat to our existence. Pakistan as a whole
hates the Jewish and loves the Arabs. The lovers
of Arabs are more dangerous than Arab themselves.
The Israelis found a collaborator in the form
of Narendra Modi, Modi dreams of Hindu Supremacy
and in doing so, he is apying what his white masters
in Israel do. Israel is using India against
Pakistan, because Hindus are full of hatred
for Muslims and Israel is exploiting India for their
own specific interests. The On-going tension between
India and Pakistan is in the Interest of Israel.
Israel is supporting India against Pakistan.
