Abu Bin Adhem: a holy man,
when one night saw an Angel
writing something in Book of Gold
didn't get scared and asked,
'what are you writing?' Angel
Replied, 'the names of those
who love God. Unfortunately Abu
name was not there, so he
prayed to be in the the list
who love their fellowmen. Next
Night, Angel came again with
brigh light and let see Abu
the list of people blessed by
God's love and Abu name was
at the top.
