Precis # 1exploring
Book - The world of engPoverty : a path ^{of blessing.} ~~to greatness~~

- 3.5

Poverty sharpens a man's intelligence, purifies his character, and gives him courage to undertake arduous task. History's most eminent men are poor. History has shows us that poor people possess noble character and manage to meet their essential need. Poverty and misery, however, are not the same - misery implies wickedness. The poor are happier than the rich. Moore once told the story of a tyrant king whose investigation shows us that the happiest man was so poor that he didn't even have shirt on his back.
