

The Future of the UNO :

Hopes and Hurdles

A. Introduction

B. Hopes for a Successful UNO in the future

- ① UNO remained Successful in achieving its Core objectives upto now.

Case in point: world didn't faced WWII upto now.

- ② Increasing Inter-organizational Cooperation through UNO for Peacemaking.

Case in point: UNO and AU pact.

- ③ Efforts for more inclusivity within UNO

Case in point: ~~attempts~~ ^{efforts} of developing countries to increase P5 States

- ④ Increasing awareness among global Community to question the UNO for its responsibilities and effectiveness.

Case in point: Report of BBC..
"The public pressure on UN"

⑤ Role of UNO as the most active and important organization in the 21st Century

Case in point: Regular sessions of UNGA.

⑥ Increasing trust of states upon UNO.

Case in point: Increasing membership.

C- Hurdles in the way of successful UNO in the future.

⑦ Continued legacy as a tool of powerful against weaker states.

Case in point: Bush doctrine of War on Terror.

⑧ Cordial relations as a synchronized force while making decisions.

Case in point: Use of veto by China and Russia against US.

⑨ Increasing global tensions

Case in point: The ongoing Gaza war

⑩ Non-binding nature of decisions

Case in point: Non-implementation

of ICJ's decisions on Gaza's genocide

(11) Lack of inclusive decision making
Case in point: PS states in UNSC

(12) Increased public resentment after practicing dual standards by UNIO

Case in point: Ukraine Versus Gaza

(13) Changing global order which shows resentment against UNO.

Case in point: Rise of BRICS nations.

D- Conclusion
