

~~The (CII) Council of Islamic Ideology~~

A bill passed by parliament and National Assembly in 2025, named, The child Marriage restrain. CII

The Council of Islamic Ideology has declared this bill as "unislamic,,.

Also, kpk government has present this bill and they faced same declaration from Council of Islamic Ideology.

Pakistan is a Country, where girls and women ~~are~~ has wedged between customs and religious regulations. They

Struggle hard for their betterment but always face the same old Conservative

Consequences. Educated and influential

Scholars need to <sup>take</sup> charge for women.

Parliamentarians do not need to step backward;

they have to realize that their job is

legislation on the islamic and Constitution

junctions. Legislators have to assure national interest first.
