Pakistan and the Future of Kashmir Cause.

A twelve year old Kashmiri girl was crying because her father had been killed by Indian armed forces. Kashmiris have been facing

this brutality since 1947. The issue of Kashmir is still unresolved. Kashmir is the

disputed territory between Pakistan and India. The major portion of Kashmir has been illegally occupied by India.

Kashmiris have been fighting for their freedom since 1947.

Pakistan has supported

Kashmiris for their right of independence. Kashmiris people want to be a part of Pakistan because

majority of Kashmiris are muslims. Pakistan has successfully internationalized ~~the~~ Kashmir issue. Pakistan is a muslim

state and people are

emotionally attached with Kashmir Cause, so Pakistan

will always support Kashmiris in their struggle for independence.
