Title: Angel write the name of people who love God.

Abu ben Adhem — a holy man, one night he suddenly woke up from a deep dream in his moonlit room and saw an angel writing something in golden book. The peaceful face of angel made Abu bold, and he asked about the writing.

The angel replied, "I am writing the name of those who love God". The Abu asked about his name in the list, but the angel said "no it is not".

After that, he said to the angel to add his name and angel wrote the name and vanished. Similarly, next day the angel came again with light which awaked Abu Adhem. The angel showed
