Indent the paragraph.

Promoting Greenery in Urban Cities

Green spaces in urban cities are a source of peace and relaxation. Parks ~~are~~ not only ~~for~~ ~~to~~ attract people, but ~~they~~ also act as a habitat for wildlife. Hence, ~~they create~~ a balance between urban developments and ~~environmental~~ preservation. Moreover, these communal places strengthen the bond between families and societies. Furthermore, these green places have long-term positive impact on society, as ~~they contribute~~ to a healthy living style. However, the rapid urbanization leads to destruction of such places. Therefore, sustainable urban planning is needed to protect and preserve such places. Thus, the vision is to collectively promote ^a balance between human development and the environment.
