

~~for~~ Pakistan determine peace in Afghanistan, because peace in Afghanistan is crucial for Pakistan. ~~of look at the history~~ through historical perspective

Pakistan and Afghanistan are ~~brotherhood~~ ^{Brother} neighbouring and Islamic countries and connected with each other historically and culturally. This relation is unbreakable, because both are dependent on each other and cannot survive without each other. From the first day, the stance of Pakistan is to solve the Afghan's issue politically. Similarly, China ~~never~~ ^{red} always supports ~~this~~ this stance and said that, the solution of Afghan's conflict can be possible via peace negotiations.

Moreover, for strategic partnership, Pakistan and China will play their role to solve Afghan's conflict via negotiations.
