

# Gender equality is a myth

## Outline

### (a) Introduction:

There is no doubt  
gender equality is a myth and  
over in in ~~in~~ less participation  
in every aspect of life. However  
minimal participation in leadership,  
education and management. Moreover  
they treat different in every single  
of life.

### (b) Gender equality is a myth.

1. There is no special law for  
third gender/males.

2. ~~lack of~~ ~~of~~ women in political  
participation. Underrepresentation

3. Maximum female child is  
out of school due to femininity.

Date: \_\_\_\_\_

4. Less number of participant of women in STEM education.
5. In the honor killing only women ~~die~~ die in death
6. Same degree but different wages.
7. Assigned quota of jobs in government and private jobs.
8. Women are ~~respected~~ and suppressed everywhere.  
(Case Study of Water Novel by Bapsi Sidhu)
9. Inability of health resources.
10. Early and forced permission of child marriages  
(Case study of Zunaira marriage petition in Peshawar high court)
11. Social fear on its peak due to blackmailing on Social Media.

**Conclusion:**
