

The Future of the UNO :

Hopes and Hurdles

A. Introduction

B. Hopes for a Successful UNO in the future

① UNO remained successful in achieving its core objectives up to now.

Case in point: world didn't faced WWIII upto now.

② Increasing inter-organizational cooperation through UNO for peacekeeping.

Case in point: UNO and AU part.

③ Efforts for more inclusivity within UNO

Case in point: efforts of developing countries to increase P5 states

④ Increasing awareness among global community to question the UNO for its responsibilities and effectiveness.

Case in point: Report of BBC.

"The public pressure on UN"

⑤ Role of UNO as the most active and important organization in the 21st Century

Case in point: try to write more appropriate words please

try to diversify your expression

read more before writing please

⑥ Increasing trust of States upon UNO

Case in point: Increasing membership

C - Hurdles in the way of successful UNO in the future.

⑦ Continued legacy as a tool of powerful against weaker states.

Case in point: Bush doctrine of War on Terror.

⑧ Cordial relations as a synchronization force while making decisions.

Case in point: Use of veto by China and Russia against US

⑨ Increasing global tensions

Case in point: The ongoing Gaza war

⑩ Non-binding nature of decisions

Case in point: Non-implementation

of SCJ's decisions on Gaza's genocide
lack of ~~inclusive~~ decision making

Case in point: P5 states in UNSC

⑪ Increased public resentment after
practicing dual ~~Standards~~ by UNO
Case in point: Ukraine versus Gaza

⑫ Changing global Order which
shows resentment against UNO.

Case in point: Rise of BRICS

nations.

D- Conclusion
