

★ Consequences of Internet, Social Media

Date: ___/___/20___ ★ Accessive use of Internet

We live in a times of instant humiliation. ^{engripping good} Accessive use of internet and electronic devices have made a toxic nature of people. Now, we all are not safe from each other's hate.

In Kasur, a city in Lahore, 65 men and women ~~were~~ arrested by police. They were making up an illegal dance party. One Pakistani lady influences was also a part of party, her videos went viral. Now she has to face a lifelong shame. ^{were suspended} Six police officers ~~also~~ have ~~suspended~~ due to involve in party. People are harrasing on internet and ~~on~~ on different platform of Social-media. Acording to the ~~article~~ article 14 of the ~~the~~ Constitution of Pakistan, ~~an~~ an individual's dignity is inviolable. There is not strong Cybersecurity in Country ~~and~~ specially in Punjab. Online harrasment has only rampant in Punjab, so the administration of the Punjab need to must take an action about this unsecure environment. They should make Syber-security team and Squard who can control or resist online offenders.
