Language Makes Human Different

We humans are known as Homo Sapiens, but in context of anthropology we are termed as homo Faber - the - smith, means the tools makers. Author said that the only thing which makes human different from others is language. If humans could not speak they would have been like apes. Through the use of language human can understand and communicate message. Language help humans to express their expressions, make laws, set some ideal ethics or make a civilization.

(2008)

Q1. What are the chief characteristics of the modern political civilization?

One of the characteristics of the modern political civilization is that it considers human as an object which can be exploited. Not as a personality which can be changed by cultural forces.

Q2. What are the possibilities of our faith, which can be of advantage to the world?

Our faith has the possibility to create a new world order where humans will not be prioritized on the basis of caste, colour or money but on the kind of life he lives. A world where human society would be based on spiritual equality not on economic equality. And a world where there will be no accumulation of wealth or superior and inferior.

Q3 What is the chief danger of confronting the superb idealism of our faith?

The Superb idealism of our faith is confronting the danger of an unmanly compromise, means man has given up ~~this~~ basic rights, principles due to fear, premare and lack of strength. This made him unable to participate in open conflict.

Q. Why is the Indian Muslim in danger of coming to an unnamely compromise with the forces opposing him?

A The Reason that Indian Muslims faces the danger of Unnamely compromise is; they ~~donot~~ ~~are~~ ~~not~~ & donot anymore explore the depth of their inner world and life. This brings them to a situation which they have to live without glow and colour of life.

Q4. What is necessary for achievement?

It is said that God does not change the condition of a people until they donot want to. Similarly, Indian muslims have to take steps towards enlightening themselves and
