

TRUMP DECISION : ISRAEL'S PRESSURE ON GAZA

As Donald Trump decision of post-war plan for Palestinians, the Israeli military more depressed its operations on Gaza City. Israel is under political pressure for its two-year campaign on Gaza, where the United Nations declared a famine. Mediators proposed a peace treaty, which has been accepted by Hamas, whose attack triggered the October 2023 Catastrophe. But still has to give a response. In reality, Gaza's civil defence agency said Israeli strikes killed at least 24 people last Wednesday. The Israeli military said troops were operating on the boundary to demolish terrorist safe sites. Israeli Army's arabic spokesperson said on 'X' that evacuation is unavoidable. A resident Hama al-Karawi, in Jabalia north of the Gaza City said that a message was broadcast from drone to evacuate immediately, said we have no place to refuge in as we scattered onto streets.
