## Struggle against Difficulties of weather is Beneficial

You are allowed to submit only one question in one pdf. The remaining questions may be submitted in separate pdfs.

~~In this paragraph~~

The writer is explaining the effects of different weathers on human nature. How weather helps to stimulate one's energy. In Northern Europe, effects of cold weather are clear; when struggle against difficulties of cold weather activates all their power. In cold weather, a man is engaged in difficult work to fulfill the basic needs for its survival. He arranges a warm house and clothes, do efforts to fuel the fire, and struggles against harsh weather, and acquires food to recharge his energy. Contrarily, those who live near the equator are in moderate weather, they have to do little effort to maintain their livelihood. The writer suggests that one must learn from these differences of human nature in different weather. In hot weather <sup>people</sup> ~~we~~ also take life easily, and in cold weather ~~we~~ they find that they are in harsh difficulties.
