Distinctive features of Religion

Religion deals with individual Life :

Religion deals with man's relation with God. It deals with individual life because it focuses on shaping a person's inner world, spiritual connection and moral behavior. Most importantly, it is based on rituals, customs, and dogmas.

Religion is Practiced in narrow Sense :

If scope being limited to a set of dogmas, religion only determines the personal life of human. This narrow understanding reduces religion to a set of rituals rather than a complete moral force meant to guide every aspect of personal and social life.
