Peace in Afghanistan is ~~very~~ **vital** ~~important~~ for Pakistan, and it therefore, remains hopeful ~~for~~ it. From a historical perspective, Pakistan and Afghanistan are Islamic republics ~~and~~ neighbours bound by historic, ~~cultural~~, and linguistic relations. These relations are unbreakable ~~as~~ both nations are dependent on each ~~other~~ and cannot live in seclusion. ~~From~~ ~~even~~ From the very first day, Pakistan's ~~stance~~ has been to find a lasting ~~resolution~~ for the Afghan problem. China is in ~~agreement~~ with Pakistan over the ~~matter~~. China's suggestion is to resolve the issues ~~through~~ peace talks under the Afghan leadership. Due to strategic engagement, Pakistan and China will ~~play~~ an active role in negotiations to resolve the problem.
