Essay

Start with the reality of page, That Hamas attack on israel in Oct 7, 2023. in The result israel invaded its army and killed 67000 of The people till Oct 2025 (Reported by Al-Jazeera) It is critical situation, which highlighted by media. media as a pivotal part, become The voice of Palestine and reported all The scene and updates in every corner of world. media also pointed out a brief war history between two countries with the creation of israel this conflict has started. Many ups and down had taken part in history. Different countries tried for peace. Muslim countries and "ICO" also took positive steps toward peace agreement. Through all these period media strictly focused on. During this, different UN conferences held and resolution presented but American Veto response always created a hopeless objection upon not only whole world but also for UN. majority of the countries believed that brutality shovment on innocent people should be stoped. Protest on different place were helded by various organization and people. Various western countries also recognized ~~isr~~ Palestine and forced israel for making peace agreement. In recent days, with the mediation of USA a peace agreement has signed. According to this agreement, Hamas and israel and interchange prisoners, withdrawal of israel's forces, rebuilding of Gaza and transportation of food were part. Now UN and global world forced israel strictly
