2. The inavailability of labor laws and reputable jobs for transgenders.

Case in Point: Pakistan's Beggar Industry.

3. Salary differences based on gender discrimination are a common practice.

Case in Point: Bollywood and Priyanka Chopra.

4. Genders other than normative have no legal identity.

Day: _____

Date: _____

Case in Point: Section 25 of
Labor Laws of UK prohibit
use of term "gay".

5. Women are limited to executive
positions rather than leading roles.

Case in Point: "Glass Ceiling"
approach in corporate setup

6. Women are deprived of basic
citizenship rights.

Case in Point: Issuance of
driving licences in KSA.

7. Public backlash towards gender
equality initiatives/examples.

Case in Point: Right wing
objection to Kamala Harris's
nomination for US President.

8. Cultural norms and social stigma
associated with women in
technical fields.

Case in Point: Bullying of
women in STEM Fields,
less than 20% global
participation.

{ UN Women Report }

9. Victim blaming is a common response to Gender based Violence.

Case in Point: Motorway Rape Incident - (Jaranwala).

10. Unequal opportunities in sports based on gender.

Case in Point: Imane Khelif banned from Paris Olympics 2024.

C. Conclusion.
