

Thesis Statement Practice:

1- Reforestation as a Global urgency:

"The best time to plant a tree was twenty years ago; the second best time is now," goes a Chinese proverb - a reminder that reforestation is no longer a choice but a global compulsion. to combat climate change, restore biodiversity, and secure survival of future generations.

2- Pathways to Pakistan's Prosperity:

"Nations are not built in a day, nor do they collapse in a moment," Pakistan's prosperity rests on long term investment in education, inclusive economic growth, and the courage to replace short-sighted politics with visionary leadership.

3- Impact of social media on Teenager's Mental Health:

Just as a fire can both warm a home and burn it to ashes, social media has become a double-edged sword in teenager's lives - offering connection yet breeding comparison, shaping identity yet eroding mental well being, and empowering voices yet amplifying anxieties.

4- Roles of technology in Modern Education

When Socrates feared that writing would kill memory, he could not imagine a world where technology would not destroy learning but redefine it. In the modern classroom, technology stands as both a bridge to limitless knowledge and test of how wisely humanity chooses to use it.
