The Essay

"Drugs take you to hell disguised as heaven."

- Donald Lyn Frost

The Essay [introductory Passage]

"Drugs take you to hell disguised as heaven." The words of Donald Lyn Frost clearly indicates that the usage of drugs is just a miraj. With the evolving world, where the field of medicine is getting progressing day by day, the risk of increasing use of drugs also take a hype in society. People have no time to differentiate between the legal or illegal use of drugs. The drugs use at any age lead to abuse and its prime victims are the youth of a nation.

Previously only males are its victims but now the abandoned females, divorced ones are also prone to it. The asset of a nation the teenagers are also addicting to it. Multiple factors are behind it including personal factors. If a child faces any kind of abuse or sexual assault in his childhood, there are more chances that he will be addicted in his youth. Others factors including Environmental, socioeconomic, poor Parenting and various mental health problems.

DATE: _____

DAY: _____

Even on media, the awareness is less and its promotion is more. A major factor of portraying the usage of drugs as everlasting relief from pain, anxiety or depression. In modern age the increasing use of drugs is a threat to a nation's future.
