Topic: Revival of Militancy in Pakistan-

Pakistan has been facing militancy and terrorism since a long time. Different factors are involved in this brutal act. Factors like, orthodox religious mindedness, Afghanistan factor and so called nationalism. The biggest problem arose after the catastrophic incident of 9/11 in USA. After that Global War on Terror was started by USA and its allies, and Pakistan was called a non-NATO ally of USA. Due to long border between Pakistan and Afghanistan, militants penetrated in border areas.

Pakistani forces started

(9)

started military operation against those militants. Since then terrorist attacks were started and later on a controversial operation by Pakistan Army named Operation Silence was conducted in Lal Masjid in Islamabad. That operation has been held responsible for start of planned militancy. TTP was launched against Pakistan Army.

India has been a biggest factor of state sponsored terrorism in Pakistan using Afghan soil.

TTP, ~~and~~ BLF, BLA and other military insurgents have been supported by India against Pakistan.

The latest example of "Kulbushin Yadave" a

(3)

serving military Navy
officer, who was operating
his network to sabotage
CPEC using Iran soil.

After fall of Kabul on
15 August 2021 by Afghan
Taliban, terrorism in
Pakistan has increased
with its great effect.

TTP and BLA do have
safe heavens in Afghanistan.
They are supported by
Afghan Taliban, although
they deny it. Pakistan
army is conducting
intelligence based operations
against these terrorists.

They do have latest
weaponary including
night visionary and thermal
scanner weapons.

BLA and BLF, on the
other hand are involved
in damage in Balochistan by

(4)

attacking F.C., army and other law enforcement agencies.

Punjabi workers are killed brutally by BLA and BLF.

Pakistani State has, now fully operation to eliminate this sin from Pakistani soil.

Medico war is being fought against other.

There is need of some more serious steps to be taken to eradicate this terrorism from Pakistan. Steps like, a strong narrative should be promoted by media, facts and figures should be declared by states.

NACTA should be operational fully. Speedy trials of terrorists should be ensured, else it a complete act upon the National Action Plan, should be made ensured.
