

# Translation 2020

Educational system of each nation ~~of~~  
~~universe~~ is relative to the nation's  
system to run the nation, which <sup>shapes</sup>  
the national affairs/purposes, and  
for that nation is <sup>strives</sup> taking actions  
to <sup>fulfill</sup> the purpose/respective  
purpose. However, any nation's  
educational system is that <sup>compiled</sup>  
education institute through which  
we can polish or establish the  
skills of people and give them  
the ~~ab~~ ability to build their charac-  
ter/personality. Educational system  
is playing that vital role in  
people's life, through which a  
people can change the destiny  
of a nation.
