~~Title~~

## Influence of Reading on Reader.

The author ~~explains~~<sup>el</sup> the intellectual ~~ability~~<sup>d</sup> of human's imagination. He argues that reading of something is not merely a literary taste // but its influence wholly amongst? in many ways. Its best performance ~~is~~ in the history of individual education. An adolescent remembers some moment when he read ~~some~~<sup>s</sup> one poet in first. When he ~~is~~<sup>is</sup> carried away by several poets, maturity built in him. It is temporary attachment and overwhelming on the under-developed personality. He examines to poets have a different qualities which are incompatible with each others. It grows a critical power <sup>protects who?</sup> which protects from excessive possession. However, ~~Reading~~ is valuable when this process is being affected on powerful personality.
