Education Demands Freedom

There are three ^{schools} of ^{thought} thoughts of freedom in education. There are those who ^{say} ~~says~~ Children should be completely free, completely subject to authority, and those who say they should be free, but in ~~the~~ spite of freedom. The last one is larger in logically because they ^{believe} believes liberty ensures perfect men. But after this acception, adults will no more be virtuous. However, the author ^{does not} cannot agree with this school of thought who believes education should not have optimistic ^{purpose} purpose. Moreover, communities ^{demand} demands cooperative educators with proper and necessary hands of science and technology impulse. ^{From} In social point of view ^{there} there must be something positive in education, must equip children with the

The old man said that there was a mountain on the other side of the jungle, where the flower grew which fragrance restores the lost eyesight. However, the mountain very high and there are many rocks, thorny bushes, and largest stones obstructing the way. There came so many people and went away but none reached the flower. Perhaps, that is why there is sorrow and sufferings in the world, and man is in search for light.
