Structure of the essay is fine

DATE: ___/___/___

In a nut shell, Youth bulge brings opportunities for Pakistan to revolutionize, develop, and stabilize. Youth bulge leads to economic growth in this hard time of economic instability. In addition to this, social change in the country can be achieved through grabbing opportunities pertaining to youth bulge. Similarly, the most enduring and incommensurable problem of competent leadership can be solved with envisioned young leadership. However, Youth must also grab opportunities provided by government.

Similar thoughts have been supported by one of the visionary leader and remarkable scientist, A.P.J. Abdul Kalam, "The youth need to be enabled to become job generators from job seekers"

It would be interesting to ^{observe} ~~see~~, whether Pakistan grabs the enlightened opportunity of youth bulge or it will succumb to same patterns of missed opportunities that have hindered its progress in the past.
