

Hamas - Israel Conflict : A test case for World Conscience

Thesis Statement

Israel has been committing every sort of crime in Gaza in the name of retaliation for the Hamas attack in October 2023. As a result, more than 60 ~~thousand~~ people have lost their lives, while 70% of the has been reduced to rubble. However, World has merely acted as a spectator, without taking any necessary steps to stop Israel.

1. Introduction

2. The World has failed to take any step to stop Israel:
